BGCD Dance Team Performance

BGCD Prose Performance
DEAR FRIENDS,

It is a distinct pleasure to welcome you to the 2021 New England Women’s Leadership Awards (NEWLA) to support Boys & Girls Clubs of Dorchester (BGCD). I am very honored to serve as the Chair of this year’s NEWLA event.

Long before other organizations began honoring women, Boys & Girls Clubs of Dorchester was at the forefront of recognizing and spotlighting women in our city who made significant contributions in their respective fields and spheres of influence. Having visited BGCD, what impressed me the most was the deep commitment and dedication of the staff led by Bob Scannell. The work that they are doing to help children and families succeed is how we will keep our communities strong and thriving. This year we are proud to honor some incredible women who are athletes, community advocates, small business owners and visionaries. These women are all incredible role models for the young girls at the Club and are strong representatives of what it means to be a great leader.

Whether it’s taking time out of a busy schedule with Team USA to help the community like Samantha Mewis, or working to ensure equity and inclusion for the Asian community like Sherry Dong, or becoming a business owner, community volunteer and schooling three children during the pandemic like Teresa Maynard, or helping to create new and innovative programming at BGCD like Dora Ullian, tonight’s honorees each have a compelling and inspirational story. They are examples of women lifting as they climb, and they serve as role models for the next generation of young women and young men too. We also want to thank all of the NEWLA sponsors, those who have been with BGCD year after year and those who are first timers, and the event committee members and volunteers for their generous contributions of time, talent, and financial support for making this event memorable for the honorees and the attendees. Your generosity allows BGCD to provide transformational programs to over 4,000 youth and their families in our community. I am so humbled and honored to be part of this wonderful organization.

Thank you for joining us to celebrate our honorees and to showcase the great work of Boys & Girls Clubs of Dorchester. I hope you enjoy this very special and inspiring event!

Sincerely,
Amy Latimer
2021 NEWLA Chair
DEAR FRIENDS & SUPPORTERS,

Welcome to the 28th Annual New England Women's Leadership Awards (NEWLA)! Tonight we inspire a new generation of leaders as we celebrate the achievements of Sherry Dong, Teresa Maynard, Samantha Mewis and Dora Ullian. Each of these extraordinary women embodies the spirit and values of NEWLA: Character, Courage, Leadership, Generosity and Selflessness. We will also hear from a young women at the Club who demonstrate these qualities themselves.

Inspiration is what makes NEWLA so special. It is at the very heart of this event and our mission at Boys & Girls Clubs of Dorchester, and its message is clear: dream big and aim high. We have many young girls and boys from the Club watching tonight to hear how our honorees turned challenges into triumphs and embraced their journeys, despite adversity. We have no doubt that you will leave inspired, too.

Reflecting back on 2020, no one could have predicted the chaos rooted in COVID-19. Yet, through it all, our young people and their perseverance inspired our whole Boys & Girls Clubs of Dorchester’s community to do more, be more, and give more.

For almost 50 years, BGCD has been here for thousands of Dorchester families, and now we are welcoming many third and fourth generation members, staff and supporters into our Club family. We are humbled by this legacy, and when we had to close our doors last March, it inspired our staff to innovate and recalibrate the way we serve today Dorchester youth and their families. Despite stay at home orders, our young people remained connected to their role models and mentors, and the Club remained true to its mission – to help young people realize their full potential.

BGCD continues to innovate so that we may continue to meet Dorchester’s evolving needs and continue keeping children safe, providing hope and opportunity, and strong connections to caring, professional staff. The past several months has given us all a reason to pause and reflect. As we consider the big take-away from this year, it is that our children are the problem-solvers, the do-ers, the peace-makers, and the communicators. Thank you for being an essential player in their futures.

Sincerely,

Bob Scannell

Julie Frates
Amy Latimer is President of TD Garden, one of the most active, highly regarded and successful sports and entertainment venues in North America. Latimer also works directly with Delaware North, the owner and operator of TD Garden, by overseeing its client and contract retention support and enabling base business growth.

Latimer was part of the inaugural executive team at the TD Garden and started as the Director of Marketing in 1995. Later, she launched the arena’s first e-business department, where she led a team dedicated to harnessing database marketing and website strategy. Latimer’s growth within the arena continued as she served for six seasons as Senior Vice President of Sales & Marketing, responsible for developing and leading all sales and marketing strategies for the Boston Bruins and TD Garden. In 2012, Latimer was named president of the arena.

A recognized leader in the sports and arena industry, Latimer was named one of Sports Business Journal’s “Game Changers” in 2011, “WISE Woman of the Year” in 2015 and a “Boston Business Power Player” in 2017 by Boston Magazine. With Latimer at the helm, TD Garden has been consistently ranked among The Boston Globe’s “Top 100 Women-led businesses in Boston.” Additionally, she was appointed to the Massachusetts Convention Center Authority’s board of directors, serves on the Massachusetts Large Venue Security Task Force, and named to the New England Advisory Council for the Boston Federal Reserve.

The native of Ellicott City, MD received her degree in Political Science from the University of Rhode Island, which she attended on a full basketball scholarship. Latimer also took political management courses at George Washington University and worked for Empower America while living in Washington, D.C. She currently resided in Topsfield, Massachusetts with her husband Jody and their three sons.

Tina has been an enthusiastic member of Boys & Girls Clubs of Dorchester since she was six years old. Growing up at the Club, Tina says that it has always been like a second home to her where she could feel safe, have fun and make new friends. She currently resides in Dorchester with her mother and father, and is a junior at John D. O’Bryant School of Mathematics & Science, where her favorite class is History.

Tina attends and works at our McLaughlin Youth Center clubhouse in the Savin Hill community. As a young member, Tina took advantage of the education and art programs at the Club. Thanks to her avid participation, Tina was chosen to take part in amazing opportunities like Camp Northbound and Girl Scouts, which she says are some of her favorite memories. Some of Tina’s other favorite programs at the Club include Global Explorers, STEM for Girls, Torch Club and Gymnastics. Tina currently takes part in our College & Career Prep program as well.

Tina loves working in the McLaughlin Center’s Early Education & Care classrooms with the Toddler 2 Class. Tina strives to be a good role model, because she understands how important it is. She feels that having positive role models at the Club has helped her tremendously. She has learned a lot from, respects and admires staff like Art Director Katy, Senior Vice President of Education & Programming Mary and Vice President of Youth & Teen Development Queenie.

Outside of the Club, you can find Tina taking part in some of her favorite hobbies such as painting, reading, dancing and gardening with her grandmother. Looking to the future, Tina says that she can’t wait to be the first in her family to attend college. Tina currently plans to study nursing in hopes of becoming a nurse practitioner.
Emmy Award-winning journalist Lisa Hughes is a news anchor for WBZ-TV News weekdays at 5PM, 6PM and 11PM with co-anchor David Wade. Lisa joined the station in June 2000 and since then she has covered just about every major news event and newsmaker in New England. Before joining CBS, Lisa worked as a reporter and anchor at KIRO-TV in Seattle, Washington, KBCI-TV in Boise, Idaho and for KCBY-TV in Coos Bay, Oregon.

Lisa received both a 2014 Columbia DuPont Award as well as a 2013 George Foster Peabody Award as part of WBZ-TV’s team coverage of the Boston Marathon Bombings. Lisa has also received Emmy Awards for Anchoring in 2014, for On-Camera Talent Reporter in 2008 and for Hard News Story in 1996. In 2016, Lisa received the Circle of Giving Award at Boys & Girls Clubs of Dorchester’s New England Women’s Leadership Awards.

Lisa is passionate about empowering young people in Greater Boston and serves, with pride, on the Board of Directors of Big Sister Boston. She also serves on the Board of Directors of First Literacy, the Board of Overseers for Boston Ballet and a new Development Board at Spaulding Rehabilitation Hospital. The daughter of two English teachers, Lisa often partners with the Mayor’s Office for ReadBoston events. She works with Boston Children’s Hospital on fundraising events, patient profiles and stories about research and treatment. She has also participated in events for Perkins School for the Blind, Horizons for Homeless Children, Disabled American Veterans and Boys & Girls Clubs of Dorchester. Every August, Lisa rides the Pan Mass Challenge to raise money for Dana Farber Cancer Institute and enjoys sharing stories of riders and doctors through WBZ’s media partnership with the PMC.

Born in Boulder, Colorado and raised in Moscow, Idaho, Lisa graduated with a Bachelor of Arts in Journalism from the University of Washington. She and her husband, Mike, are proudest of their daughter, Riley, and son, Dylan.
Sherry Dong is first generation and grew up in NYC’s Chinatown. Her parents immigrated to the US for a better future, for themselves and especially their (future) children. Speaking limited English, her father worked as a cab driver and her mother as a garment worker. Sherry learned to appreciate how hard they worked, especially her mother, who was paid pennies for each piece of clothing she sewed. Sherry and her siblings would help her before and after dinner. Sherry appreciated how her mom worked to earn so little, and it gave her pause before considering making any purchases. She’d wonder, how many pockets or zippers would her mom need to sew or turn inside out to pay for this?

This direct knowledge of the struggles of limited English speakers inspired Sherry to want to do something, whether in her free time or professional endeavors. During her college years, Sherry worked part-time in legal services, helping low-income, limited-English-speaking, primarily Chinese immigrants, like her parents, on matters ranging from unemployment claims, wrongful termination, housing, and domestic violence issues. She became involved with Boston’s Chinatown community, joined several boards, and after a stint with the MA Attorney General’s Office, Civil Rights Division, she went to work for Boston Mayor Menino, as his Chinatown liaison, serving as a bridge between city government and the local community. She also worked for the City of Boston’s Human Resources department on affirmative action and workplace discrimination and harassment issues and the Boston Planning and Development Agency before moving on to Tufts Medical Center, where she has led community health initiatives and community partnerships, particularly in Chinatown, Dorchester and South Boston.

Sherry is very civically engaged, serving as board president for the Chinese Historical Society of New England, co-moderator for the Chinatown Neighborhood Council and Chinatown Safety Committee, co-chair for the Chinatown Coalition, and as a board member of the Massachusetts Cultural Council and MassHire State Workforce Board.

Teresa Maynard did not set out to start a business. Leaving Dorchester for college in New Rochelle, New York, she earned Bachelor’s and Master’s degrees in communications, focusing on advertising, marketing and graphic design. Following that, she worked in healthcare marketing and project management in New York before moving with her husband and children back to Boston, where she worked at the Brookline Housing Authority and then Harvard University.

In her mid-30s, with three young children, she took some time off while recovering from an illness. Having space to pause and take stock, she realized she was ready for a big change. As a lover of baked goods and a person with a nut allergy, whose daughter also has allergies, Teresa had long been frustrated at the lack of good bakeries in her neighborhood. She left her job in January 2016 and by fall she had signed up for CWE’s 10-Week Business Planning course, completed CommonWealth’s Kitchen First Food Biz 101 and won their pitch contest, incorporated the business, and had space at CommonWealth Kitchen. In November, she launched her very own bakery, Sweet Teez.

In 2020 and 2021, Teresa has been instrumental to Boys & Girls Clubs of Dorchester’s “Grab & Go” Meal program while struggling to keep her own business afloat and supporting her three children through a year of remote learning. Teresa galvanized her friends at CommonWealth Kitchen to join her in donating food for hundreds of families every week at the Club. BGCD is so thankful for her support and the connections she has made that have allowed us to serve over 30,000 meals to the community during the COVID pandemic.

Recently, Sweet Teez Bakery was recognized in Boston Magazine in its article, “Where to Find the Best Cupcakes in Boston Right Now.”
2021 NEWLA HONOREE

Samantha Mewis
Professional Soccer Player, Team USA

A proud Bostonian, Sam Mewis has achieved almost everything possible in the game of soccer. She is a youth World Cup Champion, a NCAA Champion at UCLA, and a three-time NWSL Champion with the NC Courage. In 2019, Sam started and played for the US at the FIFA World Cup where she played an instrumental role in winning the US’ 4th World Title.

After helping the US qualify for the Olympics in Spring 2020, Sam moved across the Atlantic to play with Manchester City where she instantly helped the team win the prestigious FA Cup Trophy. Sam was awarded 2020 US Soccer Player of the Year honors and was named the #1 soccer player in the world by ESPN FC’s World Rankings for 2021.

A leader on the US team, Sam hopes to bring a Gold Medal home this summer when she competes for the US in Tokyo and then will hopefully have some down time with her husband, Pat, their dog Finn, and her favorite food -- Buffalo Chicken pizza! But more importantly, Sam is an advocate for equality and is passionate about empowering the next generation.

Samantha is a long-time volunteer and friend of BGCD. Since moving to Dorchester, Samantha immediately found ways to connect with us at the Club. Samantha has hosted multiple soccer clinics for our members, partnered with sponsors to donate athletic wear, and most recently created a financial literacy program for kids to start a savings account. Despite her busy schedule, Samantha is always looking for opportunities to give back.

2021 CIRCLE OF GIVING AWARD

Dora Ullian
Owner, The Eliot Hotel & Philanthropist

Dora Ullian came to Boston from her childhood home in Montreal for post-graduate studies. Dora didn’t start out in hospitality, and The Eliot Hotel didn’t always have a reputation associated with luxury. Her husband Arthur’s family had purchased The Eliot Hotel back in 1939. At the time Dora got her MBA, they were beginning to revitalize it. Once Dora graduated from business school, it was a natural next step for her to immerse herself in the management of the property. Despite having just had a child, Dora dove into the business, working full-time to get the word out about the hotel. It was her background in psychology that drove the major changes to the hotel.

In 2017, Dora was drawn to Boys & Girls Clubs of Dorchester because of our focus on high-quality early education and care. A colleague, Abby Shapiro, who is a consultant, first introduced Dora to Mary Kinsella Scannell, Senior Vice President of Education & Programming at BGCD. When Dora initially visited the Club, she interacted with the children immediately. She did not just tour each room as most funders might. She spent hours in the classrooms. Dora engaged in conversations with each child, asking them questions and joining in their activities. She sat on the infant room floor with the babies, playing and reading books, fascinated by the toddlers’ ability to function as a group.

Dora wanted to invest in Boys & Girls Clubs of Dorchester to create the L.I.F.T. (Lifting Individuals & Families Together) Program to be able to help families break free from poverty. L.I.F.T. uses Economic Mobility Pathway’s Mobility Mentoring program to coach parents toward economic independence, where parents and their coach set and achieve goals for themselves and their children. This modeling teaches life-long core capabilities like resiliency, impulse control, executive functioning and much more. Dora understood and wanted others to realize how families get trapped into poverty and how toxic stress’ negative impact affects a child’s development. Dora recognizes the value that high-quality programming offers, as well as caregiver warmth, responsiveness, and developmentally appropriate stimulation, and how vital this is to a child’s development, especially during the first three years of life.
Mia Heim is a 17-year-old junior at Quincy High School who has fully embraced the Club. A member for 14 years, Mia competes on the Marr-Lins swim team and gives back to her community through Keystone Club. She has also taken part in all the special trips the Club has to offer, such as Disney for Kids, skiing at Shawnee Peak, and going to Camp Northbound in Bridgton, Maine. For the past two years, Mia has been working at the Club as a junior staff and can’t wait for more opportunities to be a part of.

Mia says her favorite experience at the Club is lifeguarding for Teen Swim in the Marr Clubhouse pool every Friday. Through Teen Swim, Mia saw ways of inclusion for everybody and loved the fun games and races that everyone could take part in.

Mia is grateful for the support she receives from the staff members at BGCD. Looking ahead to her future, she hopes to attend Boston University for Nutritional Science in the fall of 2022. Mia says her passion is to help people understand their bodies and the value that correct nutrition holds.

Kate McGrath is a 18-year-old graduating senior at Boston Latin School who has truly found her place at the Club. A member since she was a little girl, Kate has given back to her community through Keystone Club, and participated in all the special trips the Club has to offer, whether that’s hitting the slopes through the annual Shawnee Peak ski trip or exploring new talents at Camp Northbound in Bridgton, Maine. When she’s not at Keystone, you can find Kate in the pool as a member on the Marr-Lins swim team.

Currently, Kate works in our Early Education & Care Program as a teacher assistant. Although Kate has enjoyed every experience at the Club, her favorite is Camp Northbound, an overnight outdoor adventure camp that she calls the “absolute highlight” of her summer. There, she creates friendships that last a lifetime, gets the opportunity to try activities she’s only dreamed of, and learns to appreciate and live in the moment.

Kate says that throughout the years, the Club has shown her what character really means and has enabled her to discover the kind of person she wants to become. After graduation, Kate plans to attend Regis College with a major in Nursing.
WHO WE ARE

Our mission at Boys & Girls Clubs of Dorchester is to inspire and enable all young people, from diverse circumstances, to realize their full potential.

When the Colonel Daniel Marr Club was first established in 1974, we had one building on Deer Street. Now, as Boys & Girls Clubs of Dorchester we have three locations, serving 4,000 youth in the community. Over the years, we have received numerous prestigious National Awards from Boys & Girls Clubs of America for our Safe Summer Streets program, our inclusion initiative Project BIND, our Martin Richard Challenger Sports league and, most recently, our Music Clubhouse.

For just $5 annually for membership, youth can participate in over 200 programs that help them find out what’s inside at every stage of growth and development.

OUR PROGRAMS

Aquatics | Athletics | Fine Arts | Education
Early Education & Care | Social Recreation
Film & Photography | Healthy Meals | Project BIND
Tweens | Health & Life Skills | Music
Teens | Character & Leadership

OUR VALUES

Respect | Integrity | Inspiration

OUR CLUBHOUSES

Colonel Daniel Marr Clubhouse | 35 Deer Street
Paul R. McLaughlin Youth Center | 1135 Dorchester Avenue
Walter Denney Youth Center | 270 Mount Vernon Street

#WeAreDorchester

MEALS & GROCERIES

30,000* Meals Distributed
Members and families receive nutritious meals throughout the year with through our Healthy Meals Program. Since the pandemic began, we’ve offered a Grab & Go meal pickup program. Meals have included fresh produce, healthy grains, meat, poultry, and other essentials. Thanks to our generous partners, we’ve distributed thousands of dollars worth of groceries at no cost to families in need. We’ve also served healthy meals to members in our Learning Hubs.

LEARNING HUBS

100* Members Served Daily in our Learning Hubs
In response to the needs of our families, and to increase equitable learning opportunities during these difficult times, BGCD has expanded our programming to include Learning Hubs. Learning Hubs provide safe, supportive, and supervised spaces for students to access during their virtual classes. We offer enrichment, gross motor, social-emotional, and outdoor programming, as well as healthy meals for our participants.

FAMILY ENGAGEMENT

Family Outreach Check-Ins
Since the pandemic began, our program staff have reached out to Club families via phone and email to check on their well-being and specific needs. The Club has spent $600 - $800 per week on over 16,800 diapers, as well as formula for 25+ families in need. BGCD also continually provides mental health support during these stressful times.

TEEN EMPLOYMENT

94 Teens Employed Throughout 3 Clubhouses
Our teens serve in program-related positions, in administrative capacity or in facilities maintenance. This is the first job for many and a critical stepping stone to successful entry into the adult workforce. This program helps at-risk teens identify and take meaningful steps toward their unique post-secondary futures.

SUMMER PROGRAMS

245 Children & Teens Served Every Week
Strict guidelines were followed to ensure everyone’s safety. Our group sizes were reduced and parents dropped off outside the buildings. We had, and still have, daily health screenings before entering and our members and staff are required to wear masks at all times. We also have social distancing policies in place and regular hand washing and sanitizing is required. BGCD took every precaution for our members and families to have a happy and healthy summer, and continue to follow all COVID-19 guidelines throughout the rest of the year.
IN LOVING MEMORY OF

ALMA WAHLBERG

2012 NEWLA CHAIR

The MJW Charitable Foundation, Inc. is proud to support Boys & Girls Clubs of Dorchester and congratulates the 2021 NEWLA honorees:
