2021 Fall Session

The Music Clubhouse provides musical instruction for the **Drum Set, Guitar, Bass, Piano, Saxophone, and Acoustic Strings(Ukulele, Banjo, Mandolin, and Resonator Guitar)**. There will also be classes and workshops focusing on **Beatmaking, DJing, and Studio Production**. Workshops will focus on Instrumental Performance, Technique, Proficiency, and sometimes Reading. Each class will take place in a lab/small group setting. Much like many musical institutions, students are evaluated with a proficiency/performance Pre and Post Session.
