#WEAREDORCHESTER
“We are Dorchester” is BGCD’s commitment to welcome children and families from one of the most diverse zip codes in the United States. Our three clubhouses provide youth ages two months to 18 years with hope, opportunity and access to our 200+ programs and activities.

CONSISTENCY & TRUST
For nearly 50 years we’ve provided a safe haven for our community and, with your support, we’ll carry on this proud tradition for decades to come. Our award-winning programs and dedicated professional staff offer the very best in early education and care, youth development and family supports.

GENERATIONAL COMMITMENT
BGCD opened in 1974, thanks to the leadership of several Dorchester families, most notably Daniel and Robert Marr. Hundreds of our young people are 2nd and 3rd generation “Club kids,” and several staff were members before joining our professional ranks. Once you come to know us, you stay engaged!
GRAND DRAWING GUIDELINES

Welcome to our Signature Grand Drawing and your chance to win one of THREE amazing Grand Prize Packages!

This year to raise the stakes, we have bundled to create THREE incredible Grand Prize Packages that are valued at over $5,000 each!

How it works:

- Each guest with an entry into the Grand Drawing is assigned a ball number which is recorded and put into our bingo machine.

- At the end of the program, our GRAND PRIZE WINNERS will be drawn. Winners will be announced in the order the entry is drawn.

- Winners will be asked to pick their prize and head to the dance floor to celebrate!

- Winners who are not present at the event will be contacted, and their prize will be determined based on their pre-event survey.
